

30cm (12") Champion Series 4Ω Dual Voice Coil Subwoofer

1,400W MAX.

Champion series

## Key Selling Point

- Dual Spiders and Motor Assembly is the driving force of massive dynamic sound that's true to the Champion Series name.
- Tougher at handling more high power input at higher volume without compromising higher quality
- Pioneer Dust Protection design reliably prevents dust from interfering with uncompromising speaker performance and durability.

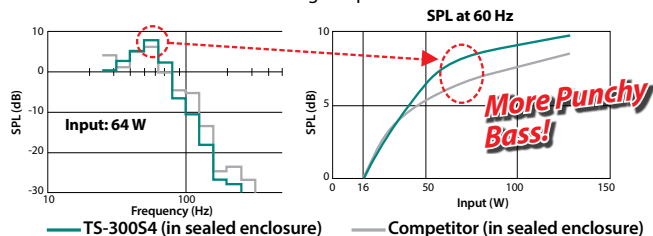

## Speaker Technology

### Punchy & Rhythmical Bass

#### High-Power Handling

##### High Rigid IMPP™ Composite Cone

Minimizes deformation even with large displacement.

#### Dual Spiders

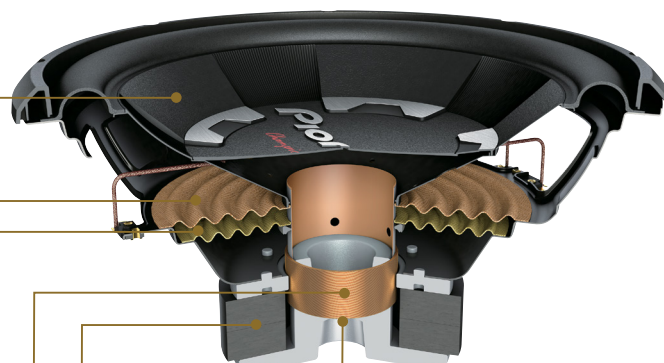

Increase high compliance and enable large displacement.

#### ø55 mm Large Diameter Long Voice Coil

Increases driving force and enables large displacement.

#### Double-Stacked Magnets

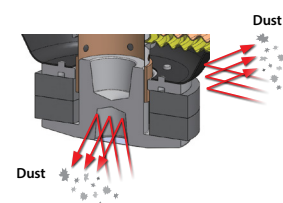

Increases heat capacitance and driving force.

#### High Durability

##### Dust Protection Design

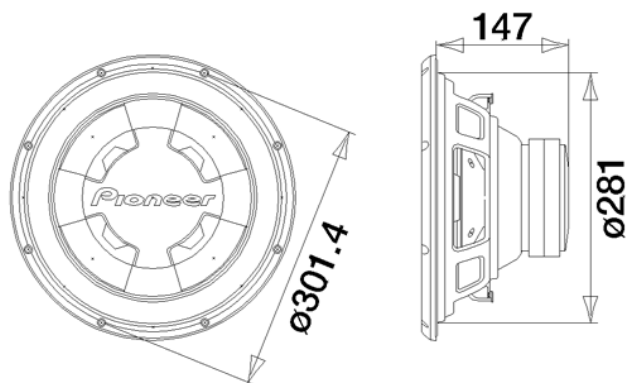

Protective design shuts out dust.

## Main Specifications

<b>Max music power output</b> 1,400 W	<b>Nominal music power output</b> 400 W	<b>Frequency Response</b> 20 Hz to 100 Hz	<b>Sensitivity</b> 96 dB	<b>Impedance</b> 4Ω x 2	<b>Size</b> 30 cm (12")
<b>Cut-Out Dimensions</b> Ø281 mm	<b>Mounting Depth</b> 147 mm	<b>Recommended Enclosure</b> 24.1 liters to 49.5 liters			

## Dimension
