DivX***	.avi/.divx	720 x 576/40 Mbps

* Playback capability for various content may change.
** Not compatible with Full HD playback.

AppRadioLIVE

The AppRadioLIVE App gives you access to all the elements of your digital lifestyle in one place via AppRadio Mode +, so you can even play video from two sources: video stored in your smartphone and streaming video.

Apple CarPlay

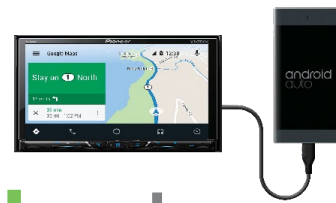

Apple CarPlay is the safer, smarter and more fun way to use your iPhone in the car. It launches automatically by just plugging in.

Note: For availability in your country, please visit <http://www.apple.com/ios/carplay/>

Android Auto™

Android Auto extends the Android platform into the car in a way that's purpose-built for driving.

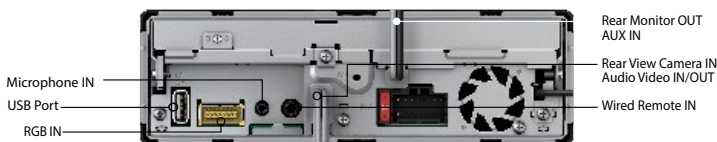

androidauto

Note: Availability of Android Auto may vary depending upon your country and phone model. Please visit android.com/auto for more information.
